Thank you for the Commons European Scrutiny Committee Report on EU-US commercial data transfers: second review of Privacy Shield published on 30th January 2019. In the report, there were a number of questions raised which required a response through correspondence with the Government.

The table enclosed in the letter provides our responses for the outstanding questions contained within the Committee report of 30th January 2019.

I hope the responses provide clarity to the questions raised in the Committee Report.

I am copying this letter to Lord Boswell and to the Clerks of both Committees Jessica Mulley (Commons)/Chris Johnson (Lords), to Les Saunders, Department for Exiting the European Union, and Rachel Marnick, Department for Digital, Culture, Media and Sport scrutiny co-ordinator.

Yours ever
